

Theatre Company Membership

The **Archway Theatre Company** is the group which is responsible for day-to-day running of the theatre and presenting the shows. Members of the company can participate on-stage, backstage or as house management - or any combination - depending on personal interests and abilities. Company members have all the benefits of a club member plus the ability to serve on the various committees which provide the administration of the theatre (elected annually by Company members).

Like Club Members, Company Members have priority when booking and pay a lower price for tickets.

(If you don't want to be involved in the productions, either on stage or backstage, you should consider becoming a club member.)

Company Membership Details

The current company membership fee is **£25** per annum, giving the same benefits as club members plus

- Ability to participate in productions both backstage and onstage
- Ten Club Newsletters plus "Archways" - the Company Newsletter with details of forthcoming auditions etc.
- The right to take part in the annual Company AGM. This elects the Council which administers the Theatre.

If you apply for Company Membership you will be sent additional forms to complete and sign and one of our Company members will be in touch for a chat and a tour of the theatre.
